2019
Georgia/Florida
Soybean & Small Grain Expo

Tuesday, January 15th

The Georgia/Florida Soybean Association and the Georgia Soybean Commodity Commission are proud to present the Soybean & Small Grain Expo on January 15, 2019 at the Georgia National Fairgrounds in Perry. Registration is at 8:00am and the program will conclude at 3:00pm.

The Expo provides up-to-date market projections and information on the newest soybean and small grain production techniques. This year, we are featuring:

Dr. Allen Moore - Research Update from UGA College of Agriculture

Dr. Adam Rabinowitz - World Outlook for Southern Ag Commodities

Dr. Bob Kemerait - Controlling Diseases in High Yield Soybeans

Dr. David Buntin - Management of Inspect Pests in Winter Wheat

Dr. Tim Grey - Grass & Weed Control in Small Grains

Dr. Michael Maw - Desiccation of Indeterminate Soybeans

Mark Freeman - 2019 Georgia Soybean Production Update

Presentations related to soybean and wheat production, poster session featuring latest research out of UGA, and an update on research projects funded by the Georgia Soybean Commodity Commission.

Come visit with our exhibitors who will be showcasing the latest in new varieties, technology and integrated pest management products.

Should you have questions or comments, please contact the Georgia/Florida Soybean Association office at 706-542-3793.
