

Georgia Crop Improvement Association Organic Certification Program

Previous Land Use Declaration

PLEASE NOTE: All documents submitted must be typed. Hand written documents will not be accepted.

Instructions: This form is used to verify the 36-month previous land use and inputs applied to land, which you have rented or owned for less than 3 years. The landlord or previous owner must complete and sign this declaration.

Organic Producer Name: _____

Crop Production Year: _____

I, _____, declare that the parcel(s) of land described below were farmed by me or were under my control during the crop years of ____ to ____ . I also declare that during this time, to the best of my knowledge, there were no herbicides, pesticides, fungicides, fungicide treated seed, synthetic fertilizers or other prohibited materials applied to this land.

Description of land by field #, section #, township and county (or other regulatory description): _____

Number of acres in parcel(s): _____

If any prohibited materials were applied, describe what was applied, the specific date of application, to which fields and/or parcels.

I submit that the above is true and accurate.

Print Name: _____

Signature: _____

Date: _____
